There she meets Eva's fiancé's cousins', Xavier, Lachlan and William Badon and the sparks fly. But Kylie has a secret and she is scared to get into a relationship and keeps the three Badon cousins at arm's length for as long as possible. When the three retired, professionally trained bodyguards find out her life is in danger, they vow to protect her. An attempt is made on Kylie's life and the Sheriff is brought in, but since the authorities in her hometown of Sheridan, Colorado and Slick Rock don't know who is after Kylie their job is so much harder. An alert is put out among the men of the small rural town to be on the lookout for strangers but the stalker manages to abduct Kylie. Will the Badon cousins be able to save her in time? ** A Siren Erotic Romance

There are certain words that have always described Cam Brantley: Town bad boy. Soldier. Protector. But never, ever dad. Until he returns home from his latest military tour to discover the girl he had one smoking-hot night with is now mom to the adorable two-year-old Zoey. Who has his eyes. Plenty of words could describe Emma Walker these days. Mom, dutiful granddaughter, budding designer, the town's golden child. But when her longtime crush Cam Brantley comes back to town—and starts working on the very same property she's in charge of—she knows the perfect word to describe herself: screwed. Cam's doing his best to learn all that daddy duty entails, but with every family outing, each day on the job together, and all the stolen kisses, he falls harder for Emma. He's determined to get over his past and be the man both girls need...now if only he can get Emma to believe it, too. Each book in the Hope Springs series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 Second Chance Ranch Book #2 Crazy for the Competition Book #3 The Bad Boy's Baby Jellyfish are one of the most conspicuous animals in our oceans and are renowned

for their propensity to form spectacular blooms. The unique features of the biology and ecology of jellyfish that enable them to bloom also make them successful invasive species and, in a few places around the world, jellyfish have become problematic. As man increasingly populates the world's coastlines, interactions between humans and jellyfish are rising, often to the detriment of coastal-based industries such as tourism, fishing and power generation. However we must not lose sight of the fact that jellyfish have been forming blooms in the oceans for at least 500 million years, and are an essential component of normal, healthy ocean ecosystems. Here many of the world's leading jellyfish experts explore the science behind jellyfish blooms. We examine the unique features of jellyfish biology and ecology that cause populations to 'bloom and bust', and, using case studies, we show why jellyfish are important to coastal and ocean ecosystem function. We outline strategies coastal managers can use to mitigate the effects of blooms on coastal industries thereby enabling humans to coexist with these fascinating creatures. Finally we highlight how jellyfish benefit society; providing us with food and one of the most biomedically-important compounds discovered in the 20th century.

When teenage rock star Sam Lee is bitten by a strange creature in Central Park, she discovers she is turning into a werewolf, and must unravel the mystery of the supernatural world before her bandmates and the media find out.

One of Britain's greatest cultural achievements of the late 20th century was the establishment of British designer fashion. Robert O'Byrne explores this phenomenon from the mid-'70s, when designer fashion scarcely existed in Britain, to the new millennium, by which time London ranked alongside Paris, New York, and Milan as a world-class fashion capital. The book describes and illustrates all the key players and influences of British fashion in the period: not only the designers but also the music, the clubs, the parties, the amazing dressing-up tradition, and London itself. The language of fashion is visual, and this

sumptuous book reflects that with evocative photographs by Norman Parkinson, David Bailey, Patrick Lichfield, Barry Lategan, and others, including iconic images such as the young Princess of Wales, Katherine Hamnett at 10 Downing Street wearing her "60 percent don't want Pershing" T-shirt, Margaret Thatcher in Aquascutum, and other rare shots from the designers' own archives.

Australian music has a proud, colourful and successful history. In 2008, Australian rock and roll turned 50. This book names the best Australian albums of the last 50 years. It places each album in order (from 1 to 100) and discusses why each album deserves its place. It tells the story behind the making of the album, where the album fits in the artist's career and the album's impact on the local and world stage etc. The entries will feature new interviews with the artists and the producers/managers involved in the recording and the release of the album. It wouldn't be a good list if it didn't polarise people and we hope that this list will. We also hope that it will get people sitting around comparing their favourites and discovering or re-discovering these great albums and others. With 70 years of loving and writing about Australian music between us, we shamelessly believe we've earned the right to write this book. And we think we've got it right. Let the debate begin. o u John O'Donnell, April 2010 Finally, here is a much-needed list of argument-starting top 100 seminal/ influential/essential Australian albums of all time. Let the fight begin!

[Siren Menage Everlasting: Erotic Cowboy Menage a Trois Romance, M/F/M, bondage, spanking] Tara Rustle has just spent her twenty-third birthday alone, just like her last six birthdays. She arrives home from work to find her home burning to the ground. This event is the crux of Tara's grief for the mother she lost six years previously and the loneliness she has endured, and she snaps. Tara wakes up in the arms of two sexy, masculine men, Clay and Johnny Morten, in the town of Slick Rock, Colorado, with no memory. She feels comfortable with the two men, so when they offer her a job cooking for them on their ranch, she accepts their offer. Little

does she know the two men were once her childhood neighbors. Tara's memory returns. Clay and Johnny set about seducing the one woman they have lusted after for years. Everything seems to be progressing nicely, until an old flame of Johnny and Clay's turns up. Celia is insane and threatens Tara's life. Will Clay and Johnny get to Tara in time to save her from a crazy ex-lover? Or will Celia win and end Tara's life? ** A Siren Erotic Romance

Your customers are going to give you three seconds to make the sale. Do you know what to say in those three seconds? The marketing methods of the past are losing effectiveness as consumers are getting smarter and smarter and have less and less time. What is needed is a new way of doing business—a method that is simultaneously socially responsible and far more effective than "old" marketing. This new way is *The Irresistible Offer*. "The Irresistible Offer is the missing link in many marketing books." —Joe Sugarman, Chairman, BluBlocker Corporation "The Irresistible Offer reveals secret after proven secret guaranteed to pump fresh power into your sales process." —John Du Cane, CEO, Dragon Door Publications, Inc. "As the world's fastest reader (Guinness Book certified) I've read just about every business and marketing book in existence. *The Irresistible Offer* by Mark Joyner is, by far, the easiest and most powerful. If you want to make a profitable business (any business small or large), *The Irresistible Offer* should be your starting point." —Howard Berg, "The World's Fastest Reader" "I've read every book on marketing printed in the last 150 years. This is the first breakthrough in over fifty years." —Dr. Joe Vitale, author of *The Attractor Factor* "If I

had to choose one modern marketing genius to learn from, it would be Mark Joyner. *The Irresistible Offer* belongs in the hands of everyone wanting to wildly succeed in business." —Randy Gilbert, a.k.a. "Dr. Proactive" host of *The Inside Success Show*

[Siren Menage Everlasting: Erotic Cowboy Menage a Quatre Romance, M/F/M/M, light spanking, HEA] Richard, Trevor, and Kevin Benedict thought they weren't meant for marriage until Margaret Morrison arrived in *Lusty*. It doesn't take the triplets long to understand that Maggie herself had given up on some things in life, too—like having a family of her own or a happy-ever-after. So they tease her and tempt her, promising her that since they're all unattached adults, they can enjoy each other, and indulge in some "fun and games." Maggie agrees to fun and games, certain once they discover she's no good at sex they'll leave. Instead she catches fire in their arms, and as lust turns to love she wonders if she can get the men to accept a different game plan. And then a specter from the Benedicts' recent past arrives on the scene. Intent on revenge, their enemy is determined to destroy whatever-or whoever—the triplets hold dear. Can the Benedict men keep Maggie safe, or will their enemy destroy their happy-ever-after? How Aussies came to belong to the hip-hop nation.

When Alysia decided to surprise her boyfriend at work with dinner, the surprise was on her. Since he was going at it with his secretary on the conference table, she packed a bag and called her BFF. Jolie and Alysia had been traveling the country, working as digital nomads for ten years ever since graduation. Taking this as a sign it was time for a new move, they decided to take a cruise, regroup, and make a plan. Then she meets Mr. Bedroom Eyes. Following her lead, they pretend to be married so that she can rid herself of the guy who started hitting on her before the boat left the dock. Though it was supposed to be a momentary arrangement, he asks her to take it one step farther. Then another and another. The cruise promises to be memorable in every way that matters. Along the way, Alysia learns that she won't have to fake an orgasm if she's with someone who knows what to do, that not all men suck, but the best ones suck really well, and that sometimes what starts out as something pretend, can fast become something completely real. Will the woman who lives life with no regrets, regret that she made that stupid rule about not exchanging

names and contact info?

The paperback is fully updated with new photos and new text, including an extra chapter. The design is also completely different, with text and photos kept separate to give the book a fresher, more accessible and commercial appeal. It includes over 300 photos from Kylie's personal archive and from the extraordinary photoshoots that have defined her as a style icon. Written by Kylie and William Baker, who has worked as her stylist and creative director for nearly a decade, this is an inspirational study of the separation between Kylie's public and private personas. It's also a fabulous celebration of friendship and fashion.

Lists, reviews, and rates over two thousand DVDs arranged in alphabetical order, and includes indexes arranged by cast, director, screenwriter, cinematographer, composer, and category.

Post-Cinematic Affect is about what it feels like to live in the affluent West in the early 21st century. Specifically, it explores the structure of feeling that is emerging today in tandem with new digital technologies, together with economic globalization and the financialization of more and more human activities. The 20th century was the age of film and television; these dominant media shaped and reflected our cultural sensibilities. In the 21st century, new digital media help to shape and reflect new forms of sensibility. Movies (moving image and sound works) continue to be made, but they have adopted new formal strategies, they are viewed under massively changed conditions, and they address their spectators in different ways than was the case in the 20th century. The book traces these changes, focusing on four recent moving-image works: Nick Hooker's music video for Grace Jones' song *Corporate Cannibal*; Olivier Assayas' movie *Boarding Gate*, starring Asia Argento; Richard Kelly's movie *Southland Tales*, featuring Justin Timberlake, Dwayne Johnson, and other pop culture celebrities; and Mark Neveland and Brian Taylor's *Gamer*. Police lieutenant Eve Dallas must contend with an admirer who is killing innocent people to prove his devotion.

First in the exciting new *Desert Dog* series, starring hot and sexy bikers in the Southwest... Backbreaking days, wild nights, and the hard hum of steel between your thighs... That's a life well lived, according to the *Desert Dogs*—four friends who call Fortuity, Nevada, their badlands home. Vince Grossier is the self-crowned outlaw king around here. But when Fortuity's slick new mayor invites a casino development to town, greed isn't far behind—and it

claims Vince's good friend as its first casualty. With the law turning a blind eye to the mysterious death, Vince must seek his own brand of justice. The pretty photographer hired by the developers might be the key to uncovering the truth. And she's a temptation too good to pass up. Finally free of a controlling ex, Kim Paget's not looking to be taken for a ride—not on the back of some tattooed roughneck's bike and definitely not in his bed. But when she uncovers evidence supporting Vince's suspicions of murder, Kim must entrust her safety to a man whose body threatens danger of a whole different kind.

Everything from home mortgages to climate change has become financialized, as vast fortunes are generated by individuals who build nothing of lasting value. Das shows how "extreme money" has become ever more unreal; how "voodoo banking" continues to generate massive phony profits even now; and how a new generation of "Masters of the Universe" has come to dominate the world.

Marcus Yallow is no longer a student. California's economy has collapsed, taking his parents' jobs and his university tuition with it. Thanks to his activist past, Marcus lands a job as webmaster for a muckraking politician who promises reform. Things are never simple, though: soon Marcus finds himself embroiled in lethal political intrigue and the sharp end of class warfare, American style.

SHE WAS EVERYTHING I ALWAYS WANTED I'm Christian Taylor, world famous guitarist of Dirty Texas. I'm a certified rock god, I have a reputation, tattoos and a body made for sin. One look from me and I'll melt your panties. There isn't a woman out there who has ever said no to me, except Vanessa Roberts, the one woman I want above all and can't have. **HE WAS EVERYTHING I COULD NEVER HAVE** Never fall in love with a rock star, it will only lead to heartbreak. Well that's easier said than done especially when that rock star is your best friend, room-mate and client. Christian is off limits, I've learnt the hard way to never mix business and pleasure but after five years of resisting him, my resolve is starting to crumble. One little taste can't hurt, can it?

This new study of British popular music shows how it engages with class in mythical ways that allow audiences to perform class-based identities. Case studies on folk rock, punk and indie rock show how this performance works and explore the implications for listeners and audiences.

How do we know music? We perform it, we compose it, we sing it in the shower, we cook, sleep and dance to it. Eventually we

think and write about it. This book represents the culmination of such shared processes. Each of these essays, written by leading writers on popular music, is analytical in some sense, but none of them treats analysis as an end in itself. The books presents a wide range of genres (rock, dance, TV soundtracks, country, pop, soul, easy listening, Turkish Arabesk) and deals with issues as broad as methodology, modernism, postmodernism, Marxism and communication. It aims to encourage listeners to think more seriously about the 'social' consequences of the music they spend time with and is the first collection of such essays to incorporate contextualisation in this way.

From New York Times and USA Today best-selling author Kristen Proby comes a new story in her With Me In Seattle series... Nothing has ever come easy for Lila Bailey. She's fought for every good thing in her life during every day of her thirty-one years. Aside from that one night with an impossible to deny stranger a year ago, Lila is the epitome of responsible. Steadfast. Strong. She's pulled herself out of the train wreck of her childhood, proud to be a professor at Tulane University and laying down roots in a city she's grown to love. But when some of her female students are viciously murdered, Lila's shaken to the core and unsure of whom she can trust in New Orleans. When the police detective assigned to the murder case comes to investigate, she's even more surprised to find herself staring into the eyes of the man that made her toes curl last year. In an attempt to move on from the tragic loss of his wife, Asher Smith moved his daughter and himself to a new city, ready for a fresh start. A damn fine police lieutenant, but new to the New Orleans force, Asher has a lot to prove to his colleagues and himself. With a murderer terrorizing the Tulane University campus, Asher finds himself toe-to-toe with the one woman that haunts his dreams. His hands, his lips, his body know her as intimately as he's ever known anyone. As he learns her mind and heart as well, Asher wants nothing more than to keep her safe, in his bed, and in his and his daughter's lives for the long haul. But when Lila becomes the target, can Asher save her in time, or will he lose another woman he loves? **Every 1001 Dark Nights novella is a standalone story. Grails is a full stack framework which aims to greatly simplify the task of building serious web applications for the JVM. The concepts within Grails, like interceptors, tag libs, and Groovy Server Pages (GSP), make those in the Java community feel right at home. Grails' foundation is on solid open source technologies such as Spring, Hibernate, and SiteMesh, which gives it even more potential in the Java space: Spring provides powerful inversion of control and MVC, Hibernate brings a stable, mature ob-

ject relational mapping technology with the ability to integrate with legacy systems, and SiteMesh handles flexible layout control and page decoration. Grails complements these with additional features that take advantage of the coding-by-convention paradigm such as dynamic tag libraries, Grails object relational mapping, Groovy Server Pages, and scaffolding. Graeme Rocher, Grails lead and founder, and Jeff Brown bring you completely up-to-date with their authoritative and fully comprehensive guide to the Grails 2 framework. You'll get to know all the core features, services, and Grails extensions via plug-ins, and understand the roles that Groovy and Grails are playing in the changing Web.

From the author of the New York Times bestselling *Bad Boys* novels comes the second book in a dark, sexy contemporary trilogy. He's a fighter who never loses, but is he tough enough to win her heart? There was a time when I had everything—a wonderful family, a bright future. Love. But all that was taken away in a single night, torn from me like flesh from bone. Since then, I've hidden away in my second-choice job as a makeup artist. But I prefer it that way, actually. I'm comfortable in the shadows, where no one can see my scars. Kiefer Rogan literally took my breath away the moment I met him. MMA champion-turned-actor, notorious playboy, charming to a fault—he's everything I vowed to avoid. But he just wouldn't stop until I opened up and let him in. Maybe I should've tried harder to resist him. Maybe I shouldn't have fallen in love with him. Because I, of all people, know that everyone has secrets. Scars. And that they're usually ugly and painful and destructive to the people we love most. I just never guessed that they could be deadly, too.

He was everything she wasn't looking for ... Finding a naked rock star in my bed was not how I saw my new life starting. Especially when that rock star is Evan Wyld, guitarist of the hottest band on the planet, Dirty Texas. He looks dirty as sin with colorful tattoos, muscles and piercings in all the right places. Summer is about to heat up as I join Dirty Texas on their European tour. She was everything he wasn't ready for... Sienna Hayes is off limits, but ever since the blonde bombshell accidentally climbed into my bed, I've been fantasizing about the ways I could help her get over her ex. She has baggage, but I'm known for being a good time. Maybe I can be her rebound, help put her back together again. One little taste can't hurt; can it?"

Altered Carbon and The Wind-Up Girl meet Apocalypse Now in this fast-paced, intelli-

gent, action-driven cyberpunk, probing questions of memory, identity and the power of narratives. Lin 'The Silent One' Vu is a gangster in Chinese-occupied Hanoi, living in the steaming, paranoid alleyways of the 36 Streets. Born in Vietnam, raised in Australia, everywhere she is an outsider. Through grit and courage, Lin has carved a place for herself in the Hanoi underworld under the tutelage of Bao Nguyen, who is training her to fight and survive. Because on the streets there are no second chances. Meanwhile the people of Hanoi are succumbing to Fat Victory, an addictive immersive simulation of the US-Vietnam war. When an Englishman – one of the game's developers – comes to Hanoi on the trail of his friend's murderer, Lin is drawn into the grand conspiracies of the neon gods: the mega-corporations backed by powerful regimes that seek to control her city. Lin must confront the immutable moral calculus of unjust wars. She must choose: family, country, or gang. Blood, truth, or redemption. No choice is easy on the 36 Streets.

The occupation of the West Bank and Gaza has been one of the world's most widely reported yet least understood human rights crises for over four decades. In this oral history collection, men and women from Palestine—including a fisherman, a settlement administrator, and a marathon runner—describe in their own words how their lives have been shaped by the historic crisis. Other narrators include: ABEER, a young journalist from Gaza City who launched her career by covering bombing raids on the Gaza Strip. IBTISAM, the director of a multi-faith children's center in the West Bank whose dream of starting a similar center in Gaza has so far been hindered by border closures. GHASSAN, an Arab-Christian physics professor and activist from Bethlehem who co-founded the International Solidarity Movement.
