Scotland has its own distinct legal system including its own laws and courts. However, Scots law can be made and changed in several ways and this can be a bit confusing. If you're going to court, or considering taking any other form of legal action, it might help to know how the law in Scotland is made so this section explains more.

The legal opinion paper (Annex A) explores what Scottish independence would mean in law and practice.

The Scottish government has also opened consultation on the potential introduction of a new defence of honest opinion to replace the existing defences of fair comment that exist in both existing legislation and common law. The Scottish government has also consulted on introducing a new 'single publication rule' which would prevent multiple ...
