The History and Psychology of Clowns Being Scary ... "Died by the visitation of God"), Dickens was charged with editing Grimaldi's memoirs. Dickens had already hit upon the dissipated, ...

I first encountered *The Clown of God* in college, during a course on spirituality and developmental psychology. It tells the story of a poor beggar boy who finds joy and fame in his juggling -- and surprising blessings as well. dePaola does an excellent job adapting this "old story" to medieval Italy; the setting fits the story like a glove.

Clowns of God is one such. Perhaps the setting is somewhat dated now, with geopolitical alliances totally re-arranged. However, when I first read it back in the 1980s, the kind of doomsday scenario it pointed to was not all that far-fetched.

*The Clown of God* is based upon a French legend which tells the story of a juggler whose gift, in his old age, is spurned by people but more than welcome by Christ himself. Once told by Anatole France and now crafted with dePaola's own words and images, it is a masterpiece in both word and picture.

**The Clown of God by Tomie dePaola - Goodreads**

*The Clowns of God* spent 22 weeks on the New York Times best seller list and is the second novel in Morris West's Vatican trilogy. Tomie dePaola's "The Clown of God" is based on an ancient French legend. I'd never heard of it until I stumbled on this book. And though the ending is sad, my children loved the story and asked me to read it again and again.

Without a doubt our favorite is *Clown Of God*. It is a heart warming story of a clown who's dying gift brings a smile to God's face. My children and I read and reread the story to each other for years.

*The Clown of God*, Tomie dePaola. Read aloud by a daddy &

daughter from TX. This book is a part of the Five In A Row (FIAR) curriculum that is popular among home educators.

*The Clowns of God* by Morris West, is not your average book. This book delves deep into the depths of the philosophy of religion, politics, corruption, and what is truly moral. From the start, a pope faces the destructive decision of whether or not to proclaim the second coming of Christ, which would cause panic across the world, and possibly another Schism in the church.

A Mormon friend introduced me to his book *The Clown of God*, which ably introduces the concept of vocation to young children, which I have come to see as a vital task of Christian parenting. Retelling an old French tale, de Paola situates the story in the southern Italian town of Sorrento at the beginning of the Renaissance.
